International Seminar on Transport in the Fourth Revolution: Dynamic Low - Income World

Motivation

The Government of United Republic of Tanzania through the Ministry of Works, Transport and Communication in collaboration with the World Road Association - PIARC are jointly organizing an International Seminar with the Theme “**Transport in the Fourth Revolution: Dynamic Low - Income World**”. The seminar is scheduled to be held in Arusha Tanzania in November 2018. On behalf of the Government of the United Republic of Tanzania as a Permanent Secretary responsible for Works in the Ministry of Works, Transport and Communication and the First Delegate of Tanzania to PIARC, I am highly delighted to motivate Practitioners, Stakeholders, Academicians and Students to submit abstracts for articles they wish to write on.

The seminar is scheduled to take place in Arusha Tanzania from 14-16 November, 2018 at the Arusha International Conference Centre (AICC). Abstracts should be submitted to PIARC Organising Committee through the seminar website namely www.arusha2018.org latest on 20th April 2018 as detailed in the first announcement of PIARC.
